

PORINGLAND PRIMARY SCHOOL AND NURSERY

Happy - Active - Inspired - Healthy Learners

Newsletter 3 Autumn Term 2018

Dear Parents and Carers,

The first half term has flown by! I hope that all of you have been able to meet your child's class teacher to discuss how they have settled into their new class. During the two parents evenings, feedback forms will be available, as we value feedback about what we are getting right and what we need to think about ahead.

I am keen to improve break times, and we are planning to involve some Year 6 children in leading play and helping to buy resources.

As a school, we are striving to find the right balance between children progressing academically and emotionally. Our PATHS program is up and running and the children are enjoying giving and receiving compliments.

The Woodland Wonderland play area is working really well. The children have are enjoying the various physical challenges it offers, and especially, working together as a team on the zip wire. Our concept is that a happy, active child will learn better when in a focussed learning environment and we continue to strive to improve this.

Please note that we have updated our diary dates, both on the newsletter, and on the school website. This includes dates for Christmas performances. With such a large number of children in Key Stage 2, and limited space in the hall, the staff have decided to organise year group performances.

We hope your child has had a good start to the year. We hope that you have a great half term break and we look forward to seeing your child ready for school on Monday 29th October.

Oakley the Hare has returned from his travels in Norwich and is now back at school. We wish to put him in the front entrance so please could you ensure all children do not climb on him.

We will be looking to lock up the gates on the playground as early as we can each morning and afternoon. This is necessary to ensure that the school site is safe and secure for pupils and staff.

Mr P Dean, Head Teacher
