

RE

In RE, we will be asking the question: How important is it for Jews to do what God asks them to do?

ART

As artists and designers, we will be creating rockets and making pictures and models of the planets.

PATHS

We will continue to explore our feelings and develop the vocabulary to explain them.

PE

We will continue to develop our physical skills through space related yoga and dance.

HISTORY

We will be finding out about the history of space travel.

Space and Planets
Our Spring Topic in Year 1

LITERACY

As readers, we will be reading the story of 'Man on the Moon: A Day in the Life of Bob' by Simon Bartram, using this to write our own labels, sentences, also acting out and writing dialogue.

We will be writing information texts about space and the planets.

SCIENCE

As scientists, we will be finding out about the seasonal changes from Winter to Spring. We will also be learning about our Solar System and thinking about what our planet looks like from Space.

MUSIC

As musicians, we will be using an easy-to-learn song that demonstrates different styles of music.

FOOD TECHNOLOGY

We will be designing a healthy snack for an astronaut.

COMPUTING

We will be using Purple Mash to group and sort items.
