

**RE**

In RE, we will be asking the question: how important is it for Jewish people to do what God asks them?

**ART**

As artists and designers, we will be creating rockets and other artwork based of the planets.

**PATHS**

As a class, we will be continuing to learn to talk about our feelings, as well as our goals and ambitions, and the steps we need to take in order to achieve them.

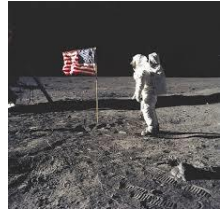

**PE**

We will be continue to develop our dance skills, responding to music relating to our Space and Plants topic.

**HISTORY**

We will be finding out about significant individuals involved in the history of space travel.

**Space and Planets**  
Our Spring Topic in Year 2

**LITERACY**

As writers, we will be reading and writing humorous poems. We will be writing non-fiction texts about space, including postcards and diary entries from the moon!

**GEOGRAPHY**

As scientists, we will be finding out about the seasonal changes from Winter to Spring.

**MUSIC**

As musicians, we will be learning songs for our CASMA performance.

**SCIENCE**

As Scientists, we will be learning about the planets and our Solar system.

**COMPUTING**

As programmers, we will continue to use simple algorithms to create animations.
