

As scientists, we will investigate the properties of everyday materials, testing them to find out which ones are the best at different things.

MUSIC

We will take part in the Virtual Big Sing.

WE ARE THE CHAMPIONS

ENGLISH

We will use The Bear & the Piano and the film Up as inspiration this half term. We will practice joined handwriting, and use similies, noun phrases and correct punctuation when writing.

HISTORY

We will look at the lives of famous champions, including sporting heroes.

PATHS/PSHE

We will learn some First Aid techniques, using British Red Cross First Aid Champions. We will do some transition activities for Y3.

PE

We will make an activity journal, recording our exercise either in words or pictures. We will also be finding out about the benefits and effects of exercise.

MATHS

We will continue to practice the 2, 5 & 10 times table, as well as addition & subtraction methods. We will find maths in the world around us.
