Everyday materials & Working Scientifically
Seasons

PATHS

As well as agreeing class rules we will learn strategies for developing self-control and for problem-solving.

Music

Colonel Hathi's March (The Jungle Book)
Carnival of the animals - The Aquarium
The Menu song
To learn & perform songs for our Christmas performance.

DT

Design, make and evaluate moving vehicles.

History

We will be learning about changes within the living memory of our parents and grandparents.
We will explore how people's lives have changed throughout the years by learning about how homes have changed since Victorian times.
We will learn about historical events including bonfire night and the great fire of London.

English

- We will launch our new phonics scheme.
- We will learn alternative spellings for some of the sounds we learnt in Reception (e.g., ay and ai, or and au, oy and oi).
- We will read and discuss a range of books in line with our phonics scheme.
- We will practice writing words and sentences in line with our phonics scheme.
- We will write labels and captions for pictures.
- We will listen to and discuss a range of traditional tales.
- We will enjoy a performance of Thumbelina by the Norwich Puppet Theatre and engage in a range of work surrounding this.

RE

Does God want Christians to look after the world?
What gift would I have given Jesus if he had been born in Poringland?
